

EVAN DAVID FOUNDATION

"Because a Child is a Precious Gift"

March, 2018

Five Years and Counting!!

It's hard to believe, but the Evan David Foundation awarded its first Grant five years ago! Since then we have awarded a total of 18 Grants totaling over \$50,000!! These Grants helped 12 couples become parents (of 6 boys and 6 girls) -- 3 women are currently pregnant, and 2 more hope to become pregnant. See pictures of these babies at our website – EvanDavidFdn.org and go to "About Us" then "Success Stories". YOU can be proud of the happiness you have brought to these couples – all due to YOUR generous donations!

Save the Date - Family Fun Day !!!

This year the **Annual Family Fun Day** will be held on **Sunday, June 3rd from 4:00-6:00pm** at Can-Do Park, off the Concord Pike Exit of I-95, near Foulk & Weldin Road. This is the **5th Anniversary** of this event, so we hope all of you, especially our Grant Recipients, will be able to attend!!!

Important Legislation – SB139

In January, Senator Bryan Townsend introduced SB139, which mandates that Delaware health insurance policies cover infertility treatments at a reasonable cost. The Delaware Senate Health, Children, & Social Services Committee met on March 15 to hear arguments for & against this Bill. Approximately 25 people attended the hearing, and many speakers urged the Senate Committee to move the Bill forward to the full Senate. We are very pleased that the Bill passed unanimously in Committee! **Please write to your State Senator and Representative to voice your support of this important Bill so it will be passed by the full Legislature before June 30th!!!!**
